

The county of Santa Clara has modified the shelter in place order so ALL children may attend their preschool/daycare. This order will go into effect on Friday, June 5.

If you have not done so already, please contact us if you would like to have your child attend Learning Pathways during June and/or July.

Per County regulations, attendance is currently limited to 12 children per room, so please respond as soon as possible to ensure your child will have a space.
